

Pride of Bridgnorth

*"A village in the countryside,
we have made true friends here"*

*"beautiful homes in a fabulous place,
friendly & helpful owners and staff"*

"we enjoy a real sense of community here"

Residential park home living for the over 45's

The Hollinshead Family have a lot to be proud of in the family business they have run for over 45 years in Bridgnorth. The business was originally started by Mr Ken Hollinshead; the business has since passed to Ken's son's Darren & Lyndon Hollinshead who with their mother Jean Hollinshead & managers Hazel & Vic retain the family friendly atmosphere.

Hollins Park is situated a few miles from the historic market town of Bridgnorth with its friendly people, old pubs, shops, restaurants and a market that has been part of the town for centuries. Telford Wolverhampton and Birmingham are easily accessible from the park either by car, bus or train. The park is served by a bus route, there is an active social calendar undertaken by our residents with local events advertised in the residents newsletter HARP, regular coffee mornings in Bridgnorth, cinema visits charity fundraiser and lots more. Currently a development nestled in 400 acres of managed woodlands Hollins Park offers an alternative to city living in tranquil surroundings; the park homes combine the peace of the countryside with all the advantages of a modern day lifestyle. Now moving the business from static caravans to a residential park home development for the over 45's in an area of outstanding natural beauty the development

offers luxury living at an affordable price. Park lifestyle magazine has followed the development over the past few years, as it continues to develop into a truly stunning park with a lively community of like minded people who give it a warm and welcoming atmosphere.

The park runs several open days a year where visitors can meet the family, staff and residents of the park.

A good number of resident homeowners are on hand as helpers to show the visitors around the site. Home owners help at the open days serving tea & cake in the reception which we set up as an old fashioned Tea room which affords a relaxing space to sit and chat to people who are already enjoying the park home lifestyle. Tingdene show homes are sited alongside plots to choose from to have a bespoke home built to personal specification. Representatives from Tingdene manufacturers are available to answer any questions about build standards.

Feedback from the residents shows that Hollins Park was chosen for its beautiful environment, friendly community unique to the park home lifestyle, it's far reaching views of the Shropshire countryside and for the peace of the countryside with the convenience of the towns and cities.
